

Let my people go!

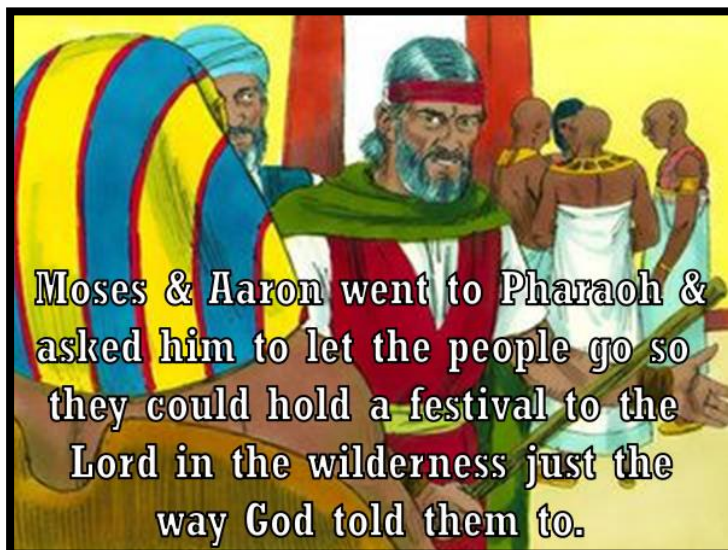

The first 9 plagues!

Exodus 7-10

Moses & Aaron his brother had met with all of the leaders of Israel to let them know that God had heard them & would set them free!

Moses & Aaron went to Pharaoh & asked him to let the people go so they could hold a festival to the Lord in the wilderness just the way God told them to.

Who is the Lord that I should obey Him & let Israel Go?

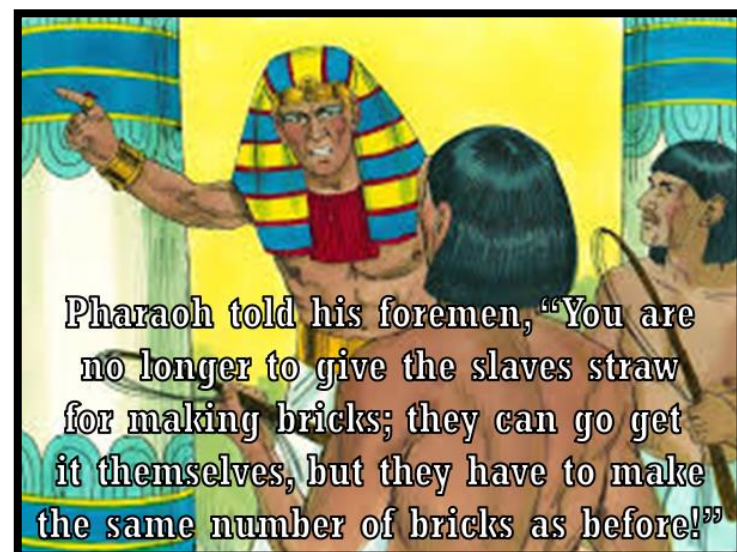

I do not know the Lord & I will not let Israel go!

Pharaoh knew that if he let Israel go have a festival that they would not be coming back!

Moses & Aaron, why are you taking the people away from their work?

GET BACK TO WORK!

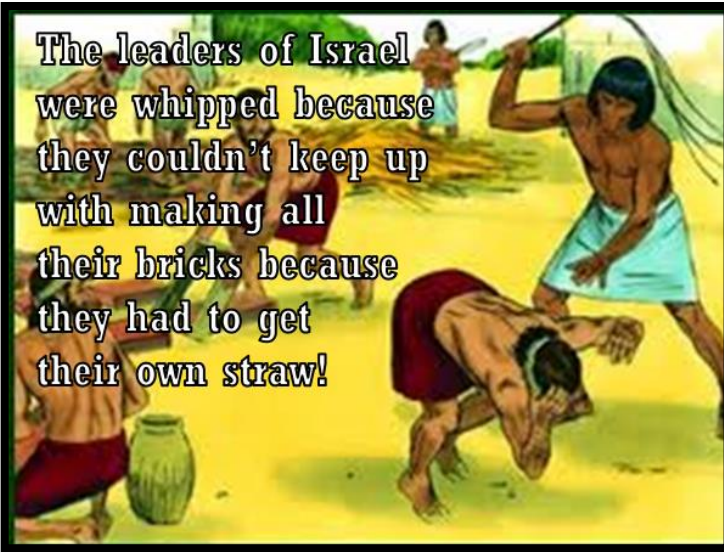

Pharaoh told his foremen, "You are no longer to give the slaves straw for making bricks; they can go get it themselves, but they have to make the same number of bricks as before!"

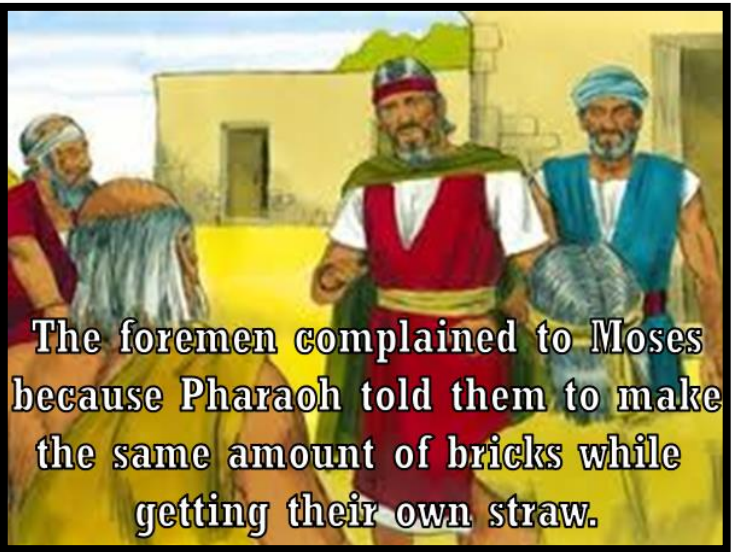

"Those slaves are lazy, that's why they cry out to go sacrifice to their God." "Well let's make them work harder so they won't have time to think about leaving!"

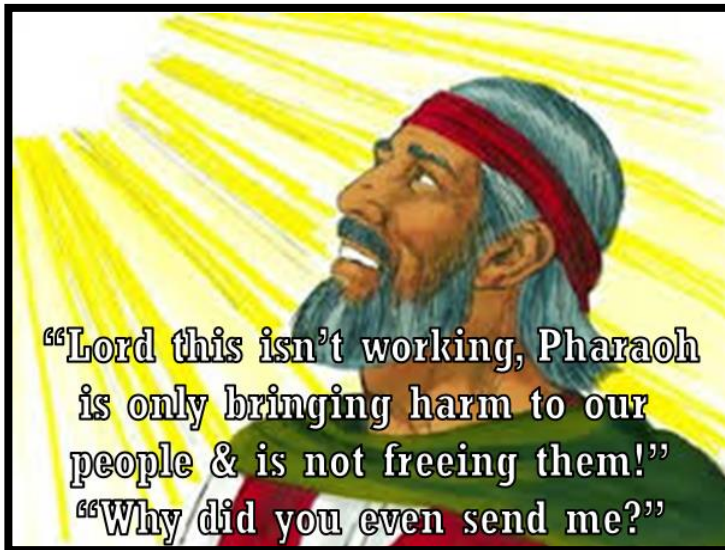

The leaders of Israel were whipped because they couldn't keep up with making all their bricks because they had to get their own straw!

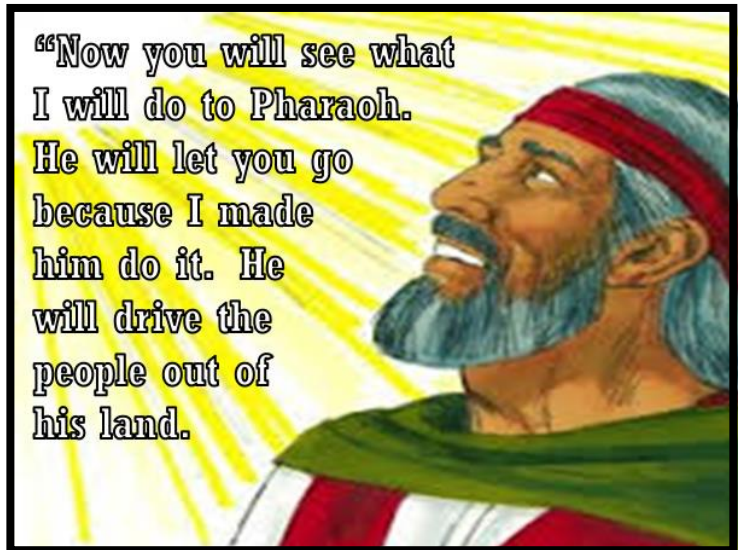

The foremen complained to Moses because Pharaoh told them to make the same amount of bricks while getting their own straw.

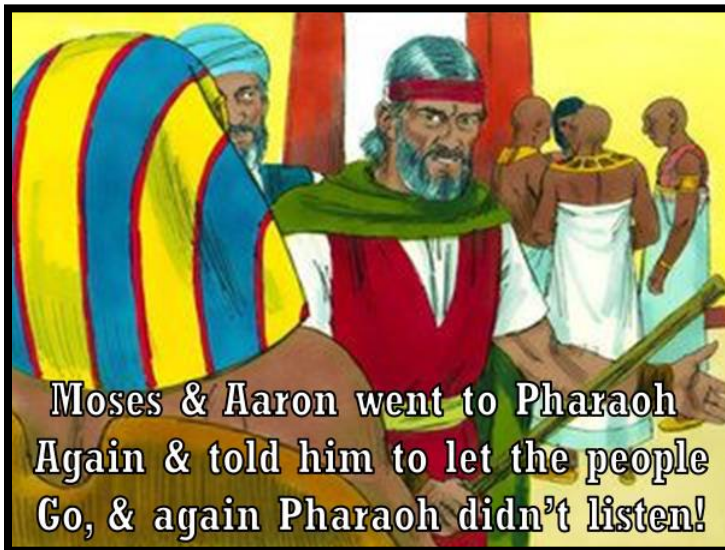

"Lord this isn't working, Pharaoh is only bringing harm to our people & is not freeing them!"
"Why did you even send me?"

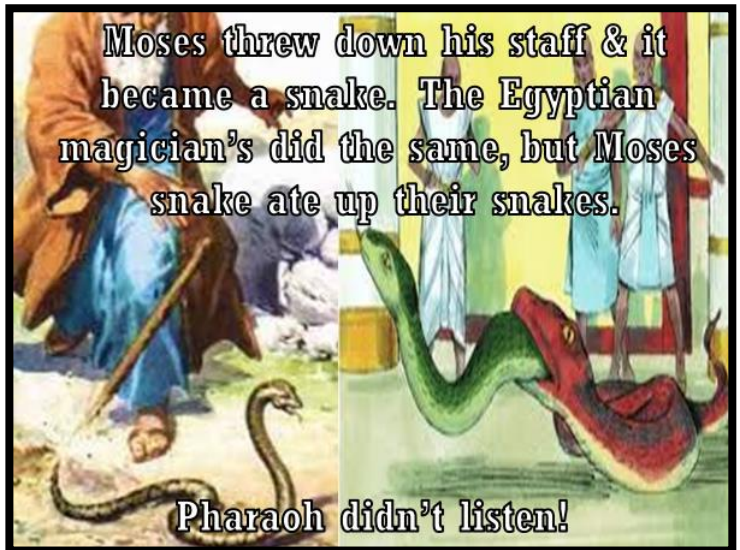

"Now you will see what I will do to Pharaoh. He will let you go because I made him do it. He will drive the people out of his land."

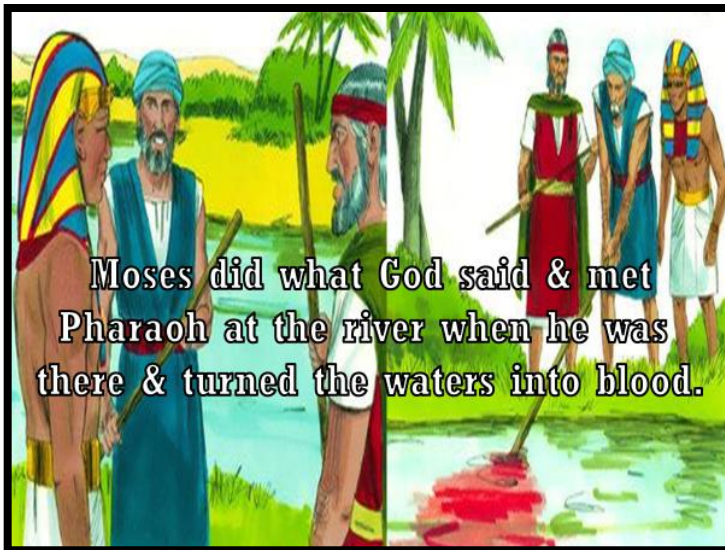

Moses & Aaron went to Pharaoh Again & told him to let the people Go, & again Pharaoh didn't listen!

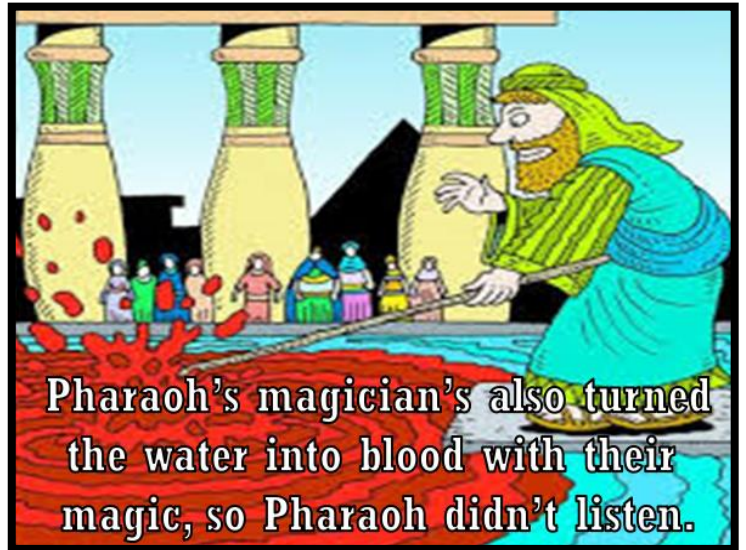

Moses threw down his staff & it became a snake. The Egyptian magician's did the same, but Moses snake ate up their snakes.

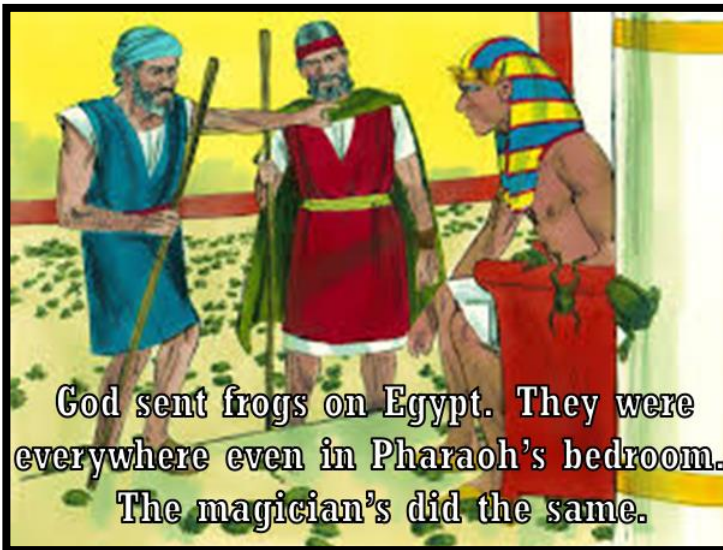

Pharaoh didn't listen!

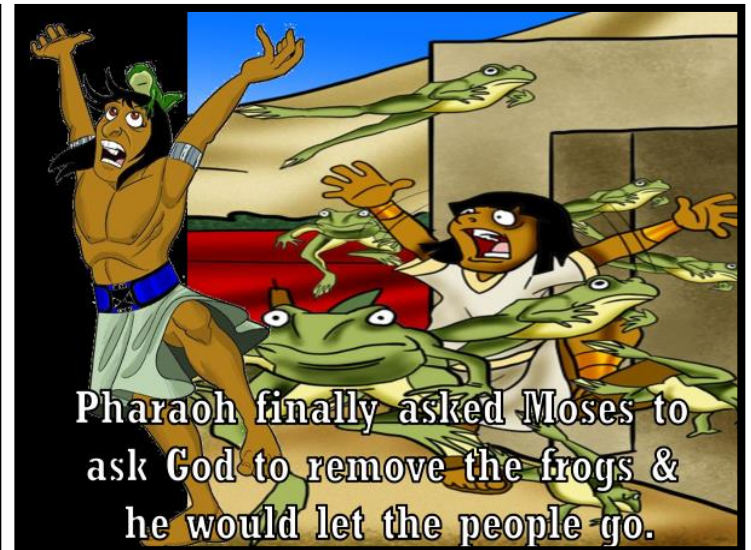

Moses did what God said & met Pharaoh at the river when he was there & turned the waters into blood.

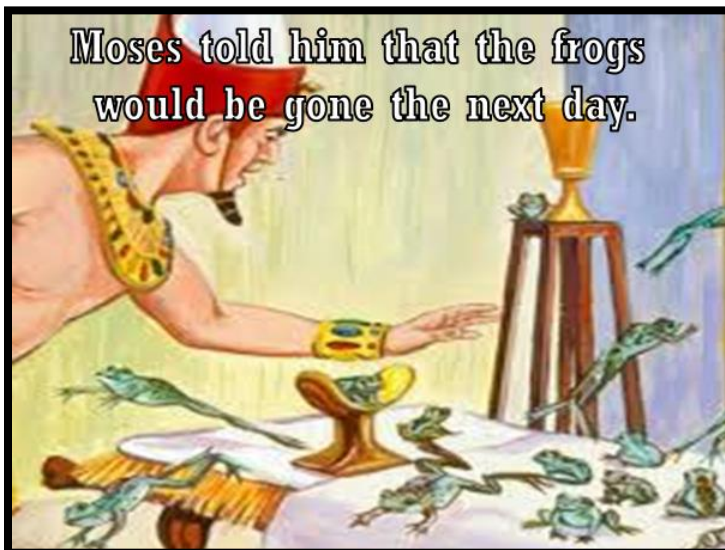

Pharaoh's magician's also turned the water into blood with their magic, so Pharaoh didn't listen.

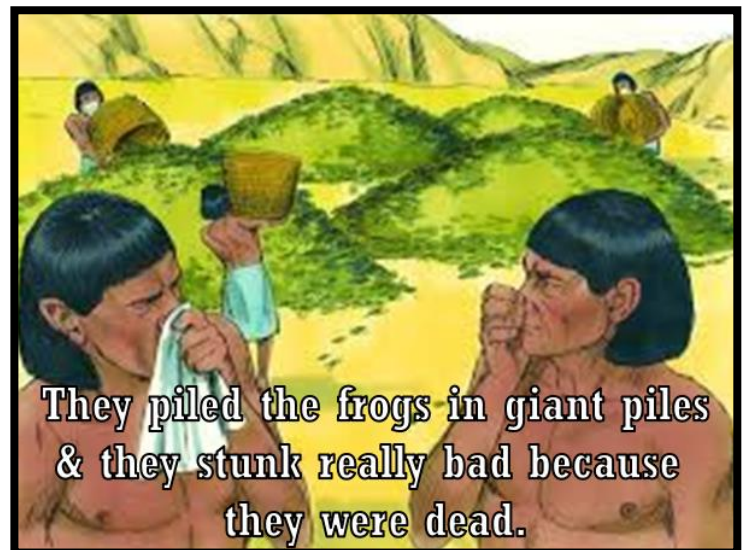

God sent frogs on Egypt. They were everywhere even in Pharaoh's bedroom. The magician's did the same.

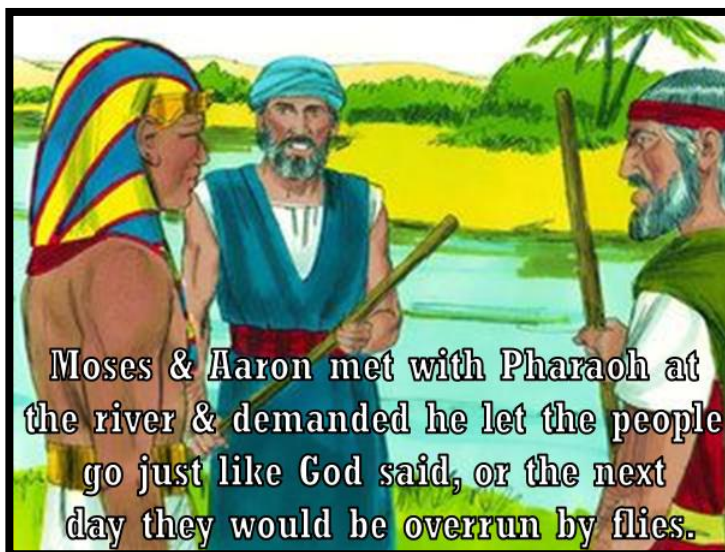

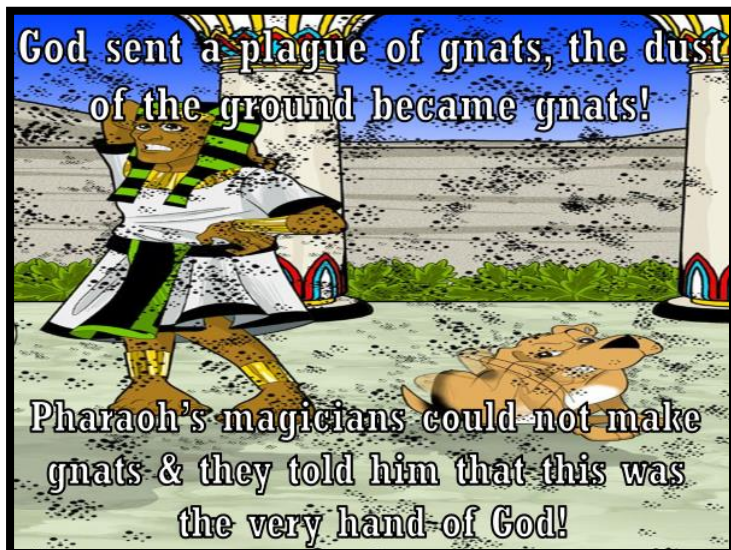

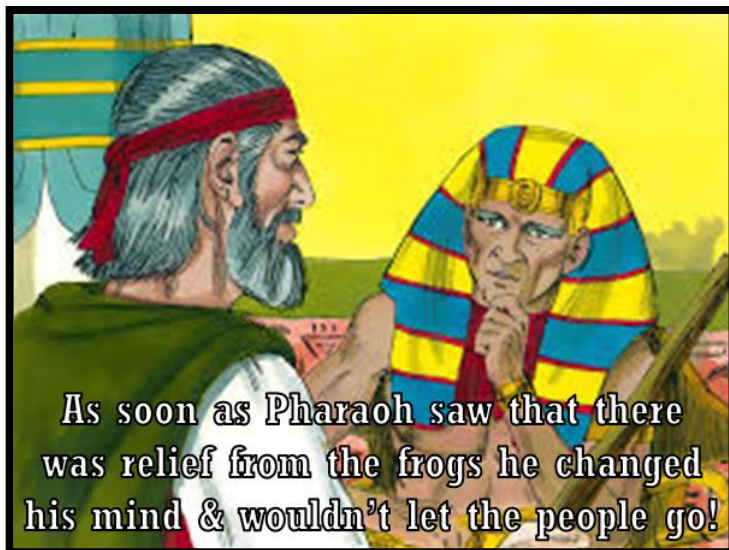

Pharaoh finally asked Moses to ask God to remove the frogs & he would let the people go.

Moses told him that the frogs would be gone the next day.

They piled the frogs in giant piles & they stunk really bad because they were dead.

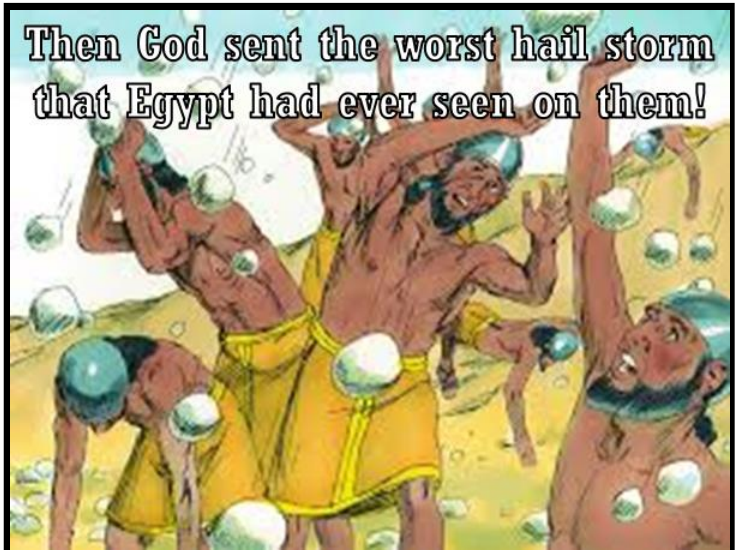

God sent a plague on the livestock.

Then He sent a plague of painful boils on the Egyptians!

Then God sent the worst hail storm that Egypt had ever seen on them!

Pharaoh at first repented & told Moses to pray to God to take the hail away, but as soon as it was over he changed his mind again!

Then God sent Locusts on all the land of Egypt! They chewed up just about every plant they had!

Once again Pharaoh repented, & took it back as soon as the plague was over.

Stretch out your hand toward heaven, & let darkness cover Egypt---darkness so thick it can be felt!

Then total darkness was over all of Egypt for 3 days except Goshen, where Israel was.

Pharaoh would still not let the people go.

But God had one more plague to put on the Egyptians. God said, "After that, Pharaoh will let you go!"
