

The 10th

Plague!

Exodus 11-12

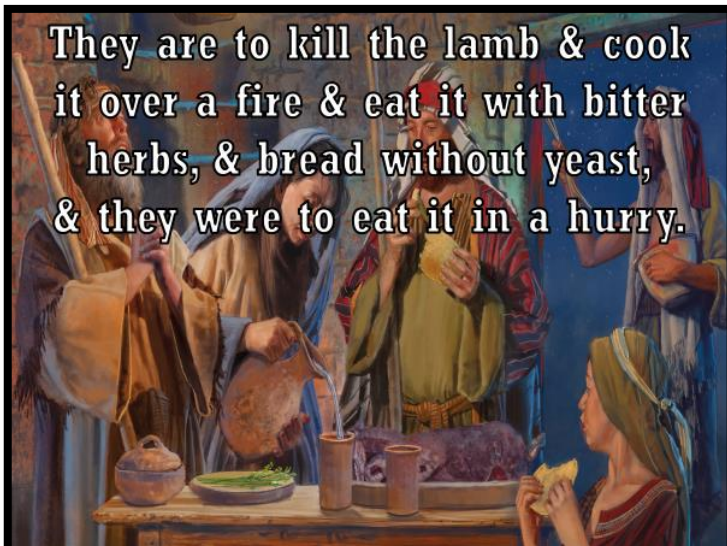

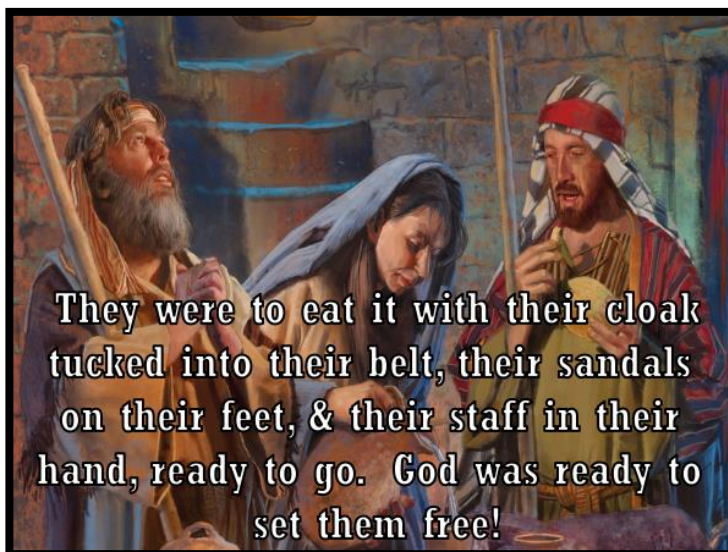

God told the Israelites to take a 1 year old lamb without any defect for each family. Care for the lamb from the 10th to the 14th of the month.

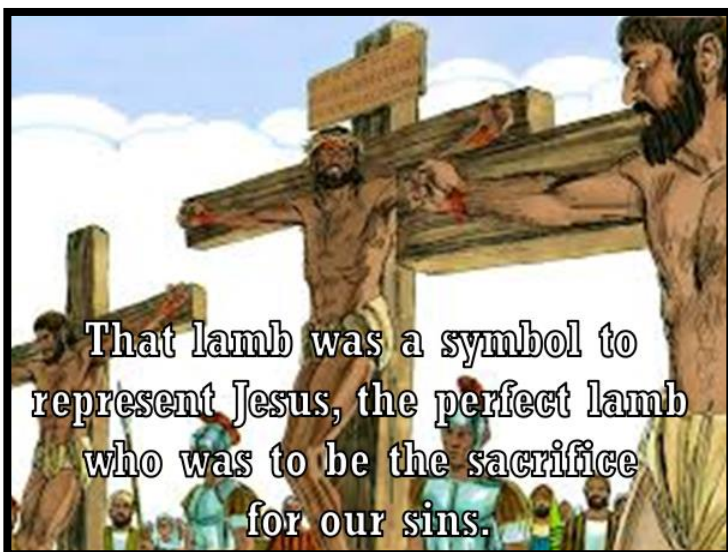

They are to kill the lamb & cook it over a fire & eat it with bitter herbs, & bread without yeast, & they were to eat it in a hurry.

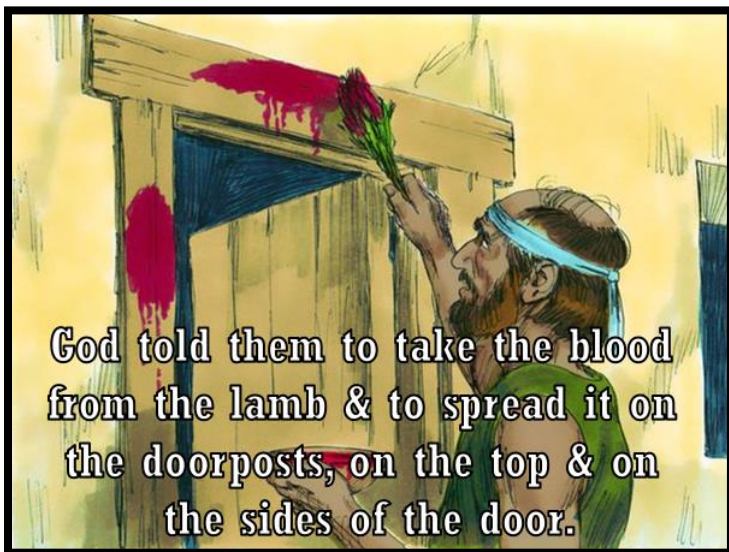

They were to eat it with their cloak tucked into their belt, their sandals on their feet, & their staff in their hand, ready to go. God was ready to set them free!

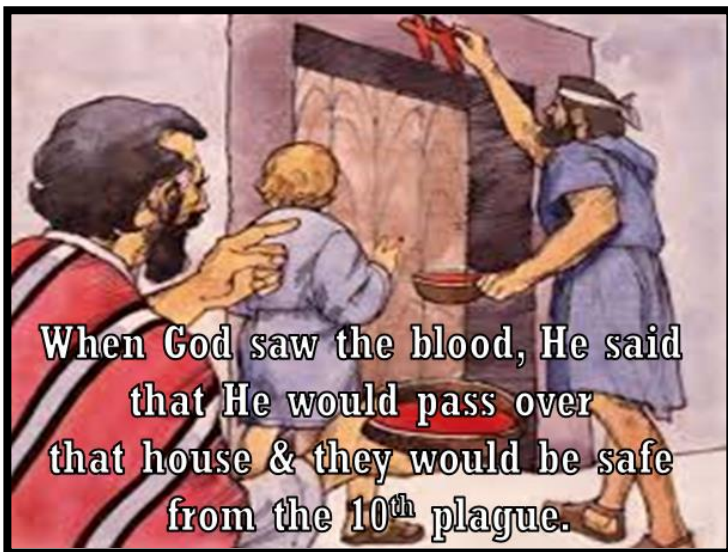

That lamb was a symbol to represent Jesus, the perfect lamb who was to be the sacrifice for our sins.

God told them to take the blood from the lamb & to spread it on the doorposts, on the top & on the sides of the door.

When God saw the blood, He said that He would pass over that house & they would be safe from the 10th plague.

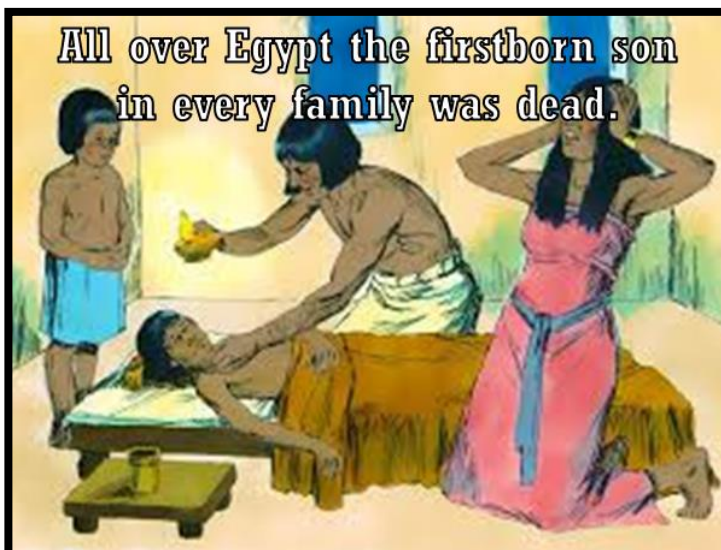

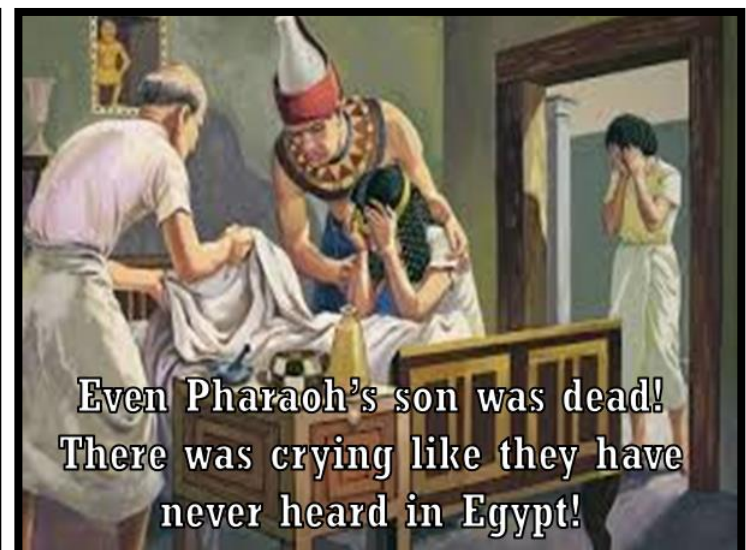

God said, "You will celebrate this feast every year as a festival to the Lord to remember what I did for you."

The Angel of Death went throughout all of Egypt to kill the firstborn son's, just like God said.

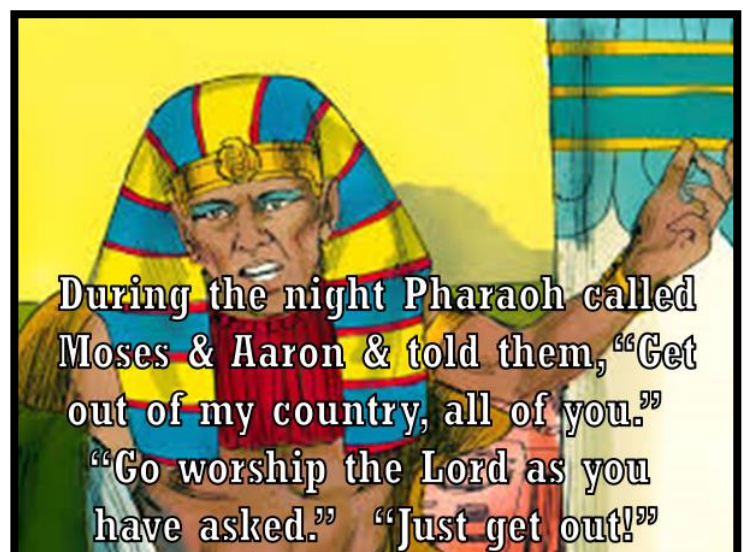

All over Egypt the firstborn son in every family was dead.

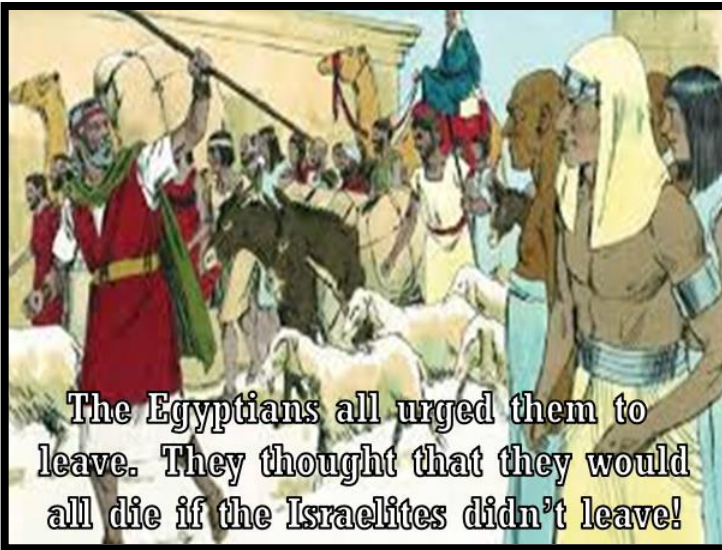

Even Pharaoh's son was dead! There was crying like they have never heard in Egypt!

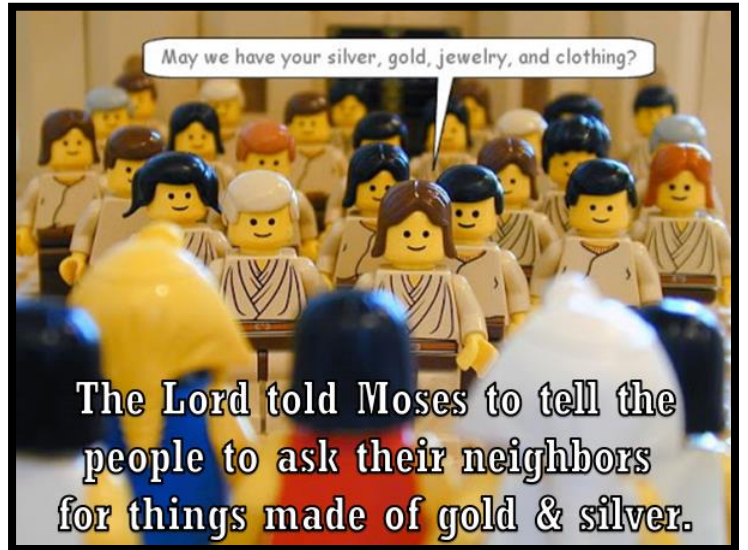

But no crying in Goshen, because when the angel of death came he saw the blood on the doorposts & left that home alone.

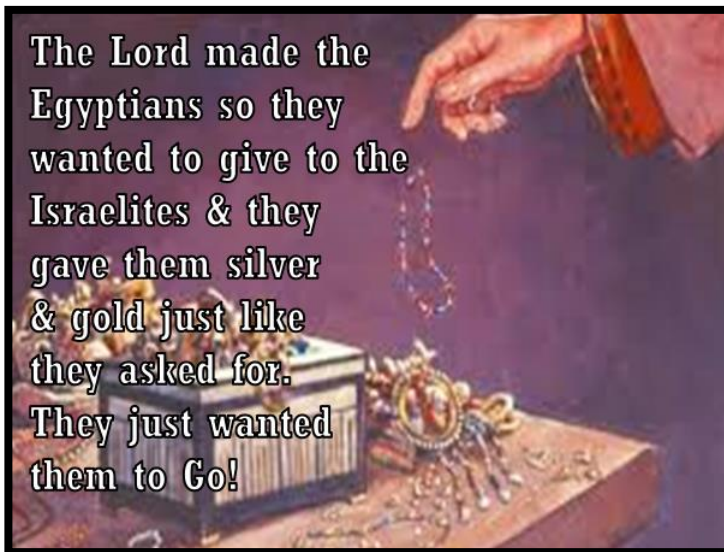

During the night Pharaoh called Moses & Aaron & told them, "Get out of my country, all of you." "Go worship the Lord as you have asked." "Just get out!"

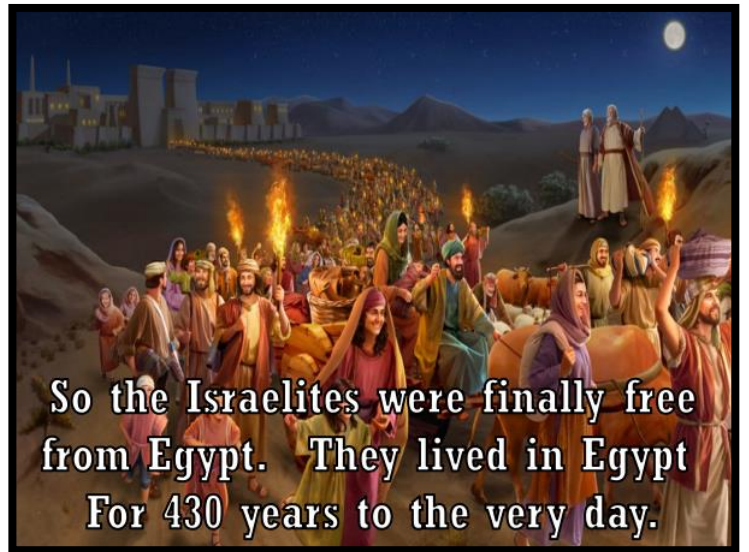

The Egyptians all urged them to leave. They thought that they would all die if the Israelites didn't leave!

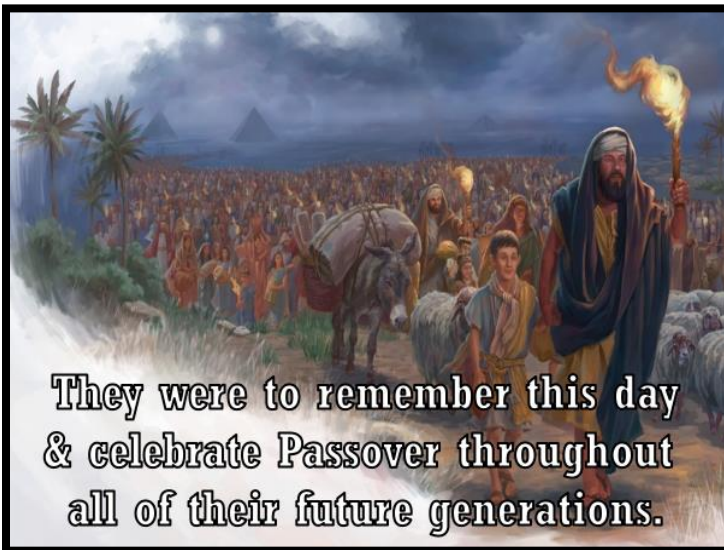

The Lord told Moses to tell the people to ask their neighbors for things made of gold & silver.

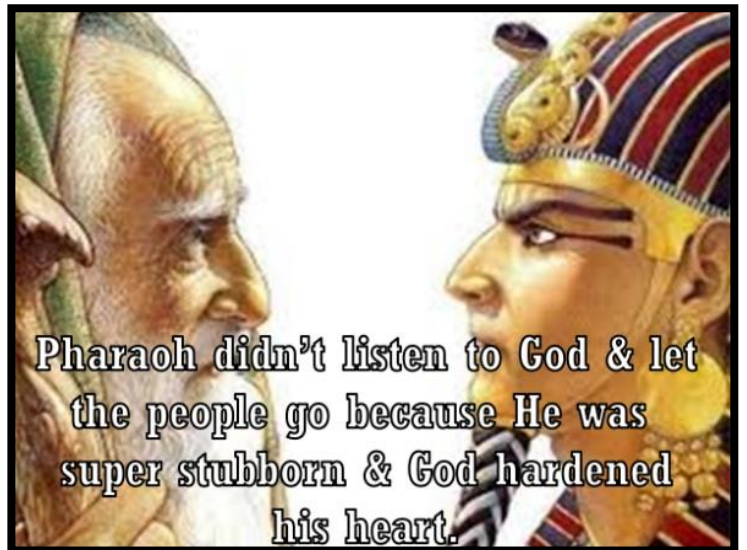

The Lord made the Egyptians so they wanted to give to the Israelites & they gave them silver & gold just like they asked for. They just wanted them to Go!

So the Israelites were finally free from Egypt. They lived in Egypt For 430 years to the very day.

They were to remember this day & celebrate Passover throughout all of their future generations.

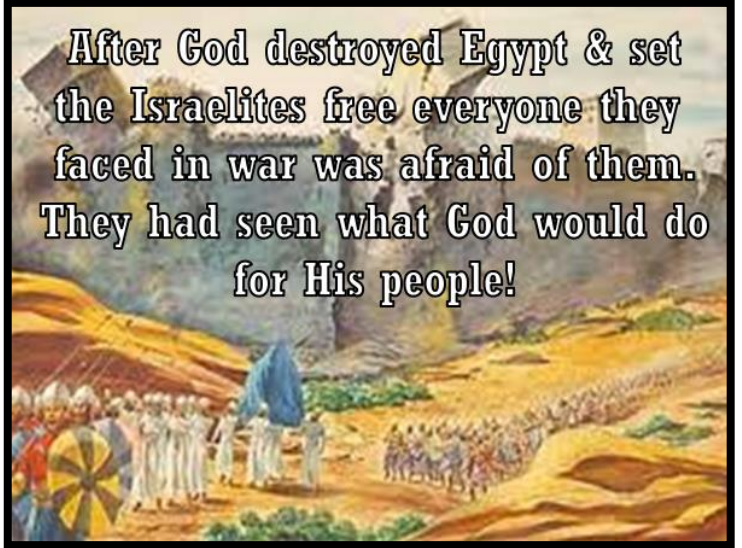

Pharaoh didn't listen to God & let the people go because He was super stubborn & God hardened his heart.
